

OURFEST

by FAIT Coop · Denver · the crowd picks the show

A CO-OP, NOT A PROMOTER.

OurFest is a Denver events co-op. Members nominate artists and rooms, the whole membership votes, and we produce the night together. One member one vote, transparent books, no promoter cut. Every show funds the next rung, toward festival grounds the community owns.

FOR ARTISTS

You come up because you draw. If the members pick you, we handle the booking, the promo, and the door. You bring the set and your following. You keep your merch.

Typical deal for show one: a guarantee up to \$150 or 50% of the door, whichever is higher, agreed before we announce. Settled the night of. Two plus-ones per act. Books published after.

FOR VENUES

We bring: an act with a real following, a co-op crew for door, load-in and settle, a promo push, and a membership table that turns your room into regulars.

We ask: a room for 80 to 300, a fair bar arrangement, PA and backline details up front, one contact for sound. Need a COI? Tell us.
